

P.E.P. CLUB—POWERING EXTENDED PHILANTHROPY

The Women's Foundation of Colorado P.E.P. Club is a unique group of wonderful women and men who understand the **Power of Extended Philanthropy** (P.E.P.). They recognize that when they commit to give over the next three years, the Foundation can make better plans, fund more powerful projects, and make a sustained difference.

P.E.P. Club members make a renewable, three-year pledge of \$1,000 or more per year. Once their pledge is made, P.E.P. Club members can set up an automatic credit card draft, or be billed on a convenient schedule.

BENEFITS OF MEMBERSHIP

- **Regular P.E.P. Club emails** designed to keep you abreast of the issues, programs and progress of The Women's Foundation on key issues.
- **Two Educational Gatherings** per year. These gatherings will provide an opportunity to meet other generous and committed women and men, to hear from one of our grantee organizations, and to learn more about important issues impacting the economic self-sufficiency of women and girls in the Colorado community.
- **Annual Thank You Reception** and progress report to donors. These regional meetings provide an opportunity to tell you what we are doing, how well we are doing it, and keep you informed of our successes and our challenges.
- **Two free tickets** to the **Denver Luncheon** as well as the VIP reception prior to the luncheon. The VIP reception allows you to mingle with Trustees and Sponsors, and have a photo opportunity with our guest speaker.
