Civil Rights

Women are often seen as the swing vote and key decision makers when it comes to determining the outcome of elections. Are our voices really heard?

Do our votes and opinions REALLY count?

Join us on Monday, June 18 from 5:30-7:30 P.M. at The Venue @21C as we explore the successes and challenges of issues of great importance to women at the Colorado state legislative level this session. Opening remarks by the Hon. Crisanta Duran, Speaker of the Colorado House of Representatives. You'll hear from multiple organizations about key legislation that has passed and is being implemented...or has failed and needs YOUR support to get it pushed through in the next session. You'll learn how you can make a difference by knowing the issues and making your voice heard to change the way women are represented in the state of Colorado. Registration begins at 5:00, event begins promptly at 5:30.

Event Presenters:

Citizens Project
The Women's Foundation of Colorado
