## SPONSORSHIP OPPORTUNITIES

The Women's Foundation of Colorado (WFCO) is a unique community foundation that creates more pathways to economic security for Colorado women. Join our dynamic community of movement makers to help all women thrive, which builds a more prosperous state for us all.

Our Annual Luncheon is a renowned community showcase of icons, ideas, and stories and has grown to become the state's largest fundraising event on behalf of Colorado women and their families.

Noor Tagouri

Noor Tagouri is a prominent Muslim-American woman, blazing a trail across mainstream media. In 2018, Noor released the documentary "Sold in America," investigating the sex trade in the U.S., with a podcast spinoff climbing to #8 on Apple's Podcast Charts. In 2017, Noor released her Hulu series "A Woman's Job," highlighting badass women in male-dominated careers. Noor has been featured at SXSW, TEDx, Create & Cultivate, and New York Fashion Week. Noor's influence can be summed-up in two words: innovative storytelling. Noor Tagouri is, quite literally, changing the face of journalism – one story at a time.

Maysoon Zayid

Maysoon Zayid is an actress, comedian, writer, and disability advocate. She is a guest comedian in residence at Arizona State University and the cofounder/co-executive producer of the New York Arab American Comedy Festival and The Muslim Funny Fest. She was on-air contributor to "Countdown with Keith Olbermann" and a columnist for The Daily Beast, appearing on Oprah Winfrey Network's "In Deep Shift", "60 Minutes", and ABC News. Maysoon had the number one TED Talk of 2014. She walked in New York Fashion Week and is an ambassador for the Cerebral Palsy Foundation. Maysoon is currently developing a comedy series called "If I Canan."
